

Receive a **FREE** Rotor, Block or Glassware Set valued at up to \$2,155

## How

1. Purchase a **CentriVac® Vacuum Concentrator** or **RapidVac® Dry Evaporator** July 1, 2018 through December 31, 2018.
2. Send your old evaporator (of **ANY** brand) to Seeding Labs. Labconco and Seeding Labs will pay the shipping costs. (See redemption/decontamination form on back.)
3. Seeding Labs inspects your old unit and if in working order donates it to scientists or educators in developing countries. If not in working order, Seeding Labs recycles it.
4. Receive one CentriVac Rotor, RapidVac Block or RapidVac 8-piece Glassware Set of your choice **FREE** (valued at up to \$2,155).

## CentriVac Concentrators

- Programmable heat and optional heat boost speeds evaporation of multiple samples
- Memory stores temperature, heat time and run time in 9 user-set programs
- Refrigerated CentriVac for optimal temperature control of sensitive samples that need to remain cooled
- Quick-Stop™ System shuts down operation within seconds
- Exclusive CentriZap™ Strobe Light accessory saves time by letting you view samples while rotor is spinning
- Multiple system types available

## RapidVac Dry Evaporators

- Optimize evaporation and recovery of analytes with vortex motion
- Programmable dry block heater up to 100° C helps speed the evaporation process
- RapidVac Vacuum Dry Evaporators for heat-sensitive samples or solvent recovery with Cold Trap and RapidVac Blocking Valve
- RapidVac N<sub>2</sub> and N<sub>2</sub>/48 Dry Evaporators use nitrogen blow down for gentle evaporation. Cool-Zone™ prevents samples from going to dryness
- Multiple system types available

# Evaporator Trade-In Redemption and Decontamination Form

To receive your free rotor, block, or glassware, complete the form below and e-mail to [promotions@labconco.com](mailto:promotions@labconco.com), attention: Evaporator Trade-In.

You will be contacted to arrange pick-up of your old evaporator at no charge to you. A signed Assignment and Release of Equipment form (Labconco will send) must be submitted to Seeding Labs with the evaporator.

**Terms and Conditions:** Only U.S. customers are eligible. One (1) redemption form must be completed for each RapidVap Evaporator or CentriVap Concentrator purchased. No limit of number of products purchased. Free accessory available while supplies last. One (1) qualifying CentriVap Rotor, RapidVap Block or RapidVap Glassware Set per RapidVap or CentriVap purchased. Excludes custom rotors and custom blocks. Offer is valid on purchases made from July 1, 2018 through December 31, 2018. Redemption forms must be received by January 31, 2019. This offer is void where restricted or prohibited by law or company policy. May not be valid in combination with other Labconco offers unless stated in writing by a Labconco representative. Purchases made in countries other than the U.S. are not eligible. Shipping charges to send old evaporator to Seeding Labs will be paid by Labconco and Seeding Labs. Product appearance and specifications are subject to change without notice. Allow 2 to 3 weeks after receipt of completed redemption form for delivery of free accessory.
